

These are the nuts and bolts that fasten our company together.

**People:** Support and respect each other

**Pride** – Do a great job

**Trust** – Do the right thing

**Safety - Safety first**

Alone these values are strong,  
together they are *unbreakable!*

## **Behaviours**

Manage your behaviour  
Manage your attitude  
Be the better person  
Hold yourself to account

## **Supporting our community**

**Environment:** We are embracing our responsibility to care for and protect the environment for future generations.

**Community:** We believe in actively engaging with and supporting the communities we serve and are committed to making a positive impact through our involvement in local initiative and partnerships. By empowering and investing in our communities, we strive to create a brighter and more inclusive future for all.
